

# Blue Finger Lou

Alan Earle O'Day

♩ = 130

When I heard you playing now you stole my heart a-way now

3 you don't even notice me so I just have to say now Blue Finger Lou my

6 woogie wants to boogie with you. I know you carry on some

10 here and then you're gone some ladies all a-round you but I bet your feeling lonesome

13 Blue Finger Lou my woogie wants to boogie with you. You know I

17 watch you every evening playing kitten on the keys. Wish you'd tickle me instead of your

20 ivories In my dreams of love I seem to concentrate on the

23 peddle-pumping rhythm of the eighty-eight. You and I could harmonize

26 cuddle up and improvise Cut a rug or kiss and hug un-til we see the sun rise

29 Blue Finger Lou my woogie wants to boogie with you.
